Citadel Business Loan Application Checklist

The following loan application checklist is provided to help in preparing and submitting a business loan request. Based upon the size and type of request, the following documents should be included (some information may not be required for certain loan requests; please check with Citadel if there are any questions). NOTE: Start-up businesses (defined as less than two years in operation) — Citadel generally requires that a company be operating for at least two years and demonstrate cash flow generation during that period. Business MasterCard requests are the exception to this requirement (see below).

Basic Package – Defined as all loan requests under \$50,000 with a total Citadel exposure less than \$100,000 (exposure is defined as the total of all business loans currently with Citadel including the new loan request). ☐ Completion of a Business Loan Application (either in the branch or by paper application). ☐ Copy of the most recent corporate tax return (if the company is a sole proprietorship, a copy of the personal tax return is required instead). ☐ Completion of a Citadel Personal Financial Statement (All owners, partners or LLC members are required to complete a statement). If you are requesting an equipment loan, vehicle loan or other non-real estate asset purchase: ☐ Copy of Invoice or Sales Contract. Standard Package - Defined as all loan requests \$50,000 or over and/or with a total Citadel exposure \$100,000 or greater (exposure is defined as the total of all business loans currently with Citadel including the new loan request) AND for all real estate financing requests. ☐ Completion of a Business Loan Application (either in the branch or by paper application). ☐ Copies of the corporate tax returns for the past three years (if the company is a sole proprietorship, the financial results of the business will be shown on the personal tax returns) OR business financial statements for the past three years (the financial statements should include both an income statement and balance sheet). Note: Tax returns are preferred to financial statements. ☐ Current interim business financial statements (if more than 6 months into the fiscal year). ☐ Copies of the personal tax returns for the past three years on each owner and/or guarantor. ☐ Accounts receivable aging (required for line of credit requests) ☐ Schedule of business debt (details the existing indebtedness of the business). Real Estate - For commercial mortgages (owner-occupied or investor), the following items are also needed. ☐ Copy of real estate purchase contract (if transaction involves a purchase of real estate). ☐ Copy of contractor's bid or estimate for building improvements or renovations (if transaction involves improvements to an existing real estate property).

Business MasterCard Requests – A MasterCard may be requested for a newly established business and typically does not require submission of financial statements. If necessary, during the credit card approval process, further financial information may be required. A Citadel branch person can assist with applying for a business MasterCard.
